**WARNING**: Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

#### **▶** DESCRIPTION

The 6921 Drop-In Sink is a commercial grade sink. This sink is constructed of 14 gauge type 304 stainless steel. Overall sink size is 24"  $\times$  18" (610mm  $\times$  457mm) and is 6.5" (165mm) deep. The basin is formed with large radius tooling to provide an easy to clean fixture. The sink basin measures 21"  $\times$  15" (533mm  $\times$  381mm). The 3-1/2" (89mm) drain hole accepts a 2" (51mm) drain.

#### **► INSTALLATION**

This unit is mounted using integrated mounting clips. There are a total of eight (8) clips used to provide a secure mount. These clips tighten to the underside of your cabinet surface.
